

# Taking the lead to make a lasting difference.

The following individuals are not only making a difference in their respective fields, they're making a lasting difference across Brampton, Caledon and Mississauga by committing themselves to helping others.

These remarkable individuals provide outstanding leadership as members of United Way of Peel Region's Campaign Cabinets. By giving their time, talent and experience, they are taking the lead in helping United Way create opportunities for a better life for those who are vulnerable in our communities.
